

WARNING

We have received information from the Harness Racing Communication's people that local horsemen hauling horse/livestock trailers are being pulled over by State police for major safety infractions totaling up to \$3300!! These infractions consist of violations regarding:

- No fire extinguisher
- Improper connection of trailer to truck
- Non-working battery and emergency breaks on trailer
- No interstate commerce license (DOT number)
- Other safety violations

To ensure that your trailer meets federal and state safety regulations, has proper license and documentation, or to obtain a DOT number, please visit <http://www.fmcsa.dot.gov>. To read power points on what to do if stopped by the police or any other safety or regulatory information please visit [Education Materials](#).
